

AI/Voider
befriend law.

**By continuing, you agree with our
*TERMS & CONDITIONS***

Or everything they would say...

INTRODUCTION

What *AI/VOIDER* does actually void:

- **The lack of engagement in learning and be aware of the law**
- **The security and privacy of every applications' users**

KEY FEATURES

- **Complex summaries**
- **Customizable reports**
- **Instant updates and alerts on law change**
- **Strong security and compliance**

THE PROBLEM

AIVoider knows that

- **Legal documents are often incomprehensible due to complex language, leading to misunderstandings and disputes.**
- **People are usually sued for using content they don't have the right to use or for abusing an application's facilities.**

THE SOLUTION

AIVoider acts

- **There is used a natural language processing (NLP) algorithm to simplify legal texts, providing clear summaries within minutes.**
- **Users have the chance to learn from browsing the sources, mentioning some important details about how and where are used those law articles.**

USER ACTIVITY

AIVoider will also provide the option to examine the law source in order to check the information, but also to learn more about it.

The user will be able to report any disconcordance they may find using this session,

THE TEAM

- **General Director**
- **3 law counselors**
- **2 engineers**
- **1 student internship from Harvard University**
- **HR Director & 2 HR Team members**

ADAPTABILITY

AIVoider uses special algorithms which uses large data-bases on our servers and on Internet.

There's no age range in using our application, in order to encourage even children to learn and be aware of the law.

AIVoider is available and offers support on IOS, Android OS, Windows (Vista -> 11), MacOS, Ubuntu.

There is also the voider.ai site.

REVENUE MODEL

Our subscription-based service offers also a free plan that includes ads, but has also different pricing tiers, ensuring flexibility for a diverse user base.

The payment is easy for every user, because it could be done on specific platforms:

- **PayPal & Revolut Accounts**
- **Card / Online Cards**

REFFERAL CODE

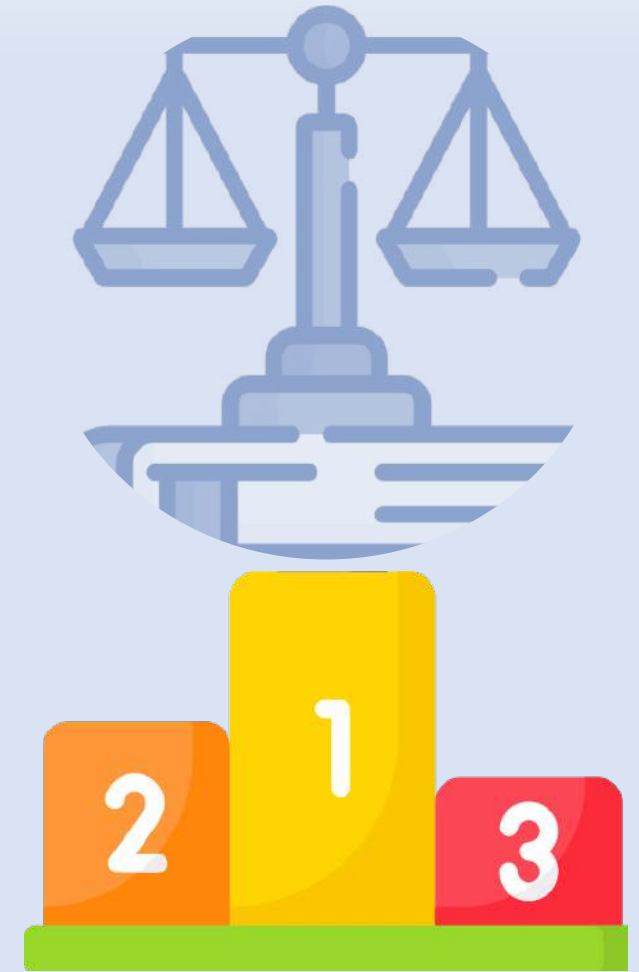

In order to promote **AlVoider**, users will have their own ***REFFERAL CODE*** which they can share with their friends in order to receive benefits in the application.

So there is how we raise the awarness of learning law.

COMPETITIVE ADVANTAGE

We have the edge in AI technology, offering accurate and reliable summaries based on secured and verified documents. Our commitment to user customization and data security sets us apart from the competition.
