#Fort Dodge
Hie all, i'm looking for the owner of this sweet pup... I just found her literally freezing to death in our back yard.. No collar) not chipped ... She's hurt a little bit on her leg and not moving very good. Gave her water and food (just a little bit while monitoring him) Please help bump this post so she can be reunited with her owner

What Exactly Is PLEASE_DONATE.ZIP?

It's an overwrite virus. An overwrite virus is a malware that targets files and changes the original code to a malicious code. Recovering the original data is almost impossible.

How Does It Spread?

The PLEASE_DONATE.ZIP spreads through a scam link across facebook and other social media, pretending to be a charity. It extracts itself because it is a zip file.
