#2 ICE AGE IS COMING

In a shocking announcement this morning, the Global Climate Federation (GCF) confirmed what many had already feared: Earth has officially entered a Second Ice Age. The cause? According to an emergency report, “excessive and irresponsible use of air conditioning units worldwide” has tipped the climate balance.

Global Consequences

In just the past 48 hours, snow has fallen in the Sahara, penguins were spotted waddling through Paris, and Miami residents have taken to ice-fishing in their flooded, frozen streets.

Schools across Europe have shifted to “igloo-based learning,” and the Eiffel Tower has been repurposed as the world’s largest icicle. In Canada, locals report “finally feeling at home.”
