

TaskBuddy: Connect Through Micro-Tasks

The Connection Challenge

In today's hybrid workplaces, **70% of employees** struggle to build meaningful relationships with colleagues. Remote work and busy schedules create barriers to workplace connection and collaboration.

TaskBuddy's Solution

We pair employees daily with **one micro-task** designed to spark genuine connection. Complete tasks together, earn credits, and transform your workplace into a thriving community.

Daily Pairings

Two colleagues matched automatically each day

Micro-Tasks

Simple activities to break the ice and collaborate

Credits System

Earn rewards for completing tasks together

"TaskBuddy helped me connect with colleagues I'd never met. The daily micro-tasks are fun, meaningful, and take just minutes!"
– **Emily R., Marketing Manager**

1

Micro-Task Daily

One simple activity to complete with your matched colleague

2

Employees Paired

Smart matching connects you with someone new each day

100%

Better Together

Collaboration that builds genuine workplace relationships

Founded by ILIkelt
Led by CEO **Fulga**, TaskBuddy was created to solve a fundamental workplace challenge: helping employees build authentic connections in an increasingly digital world.
Our mission is simple yet powerful — transform workplaces into communities where every employee feels connected, valued, and engaged through daily collaborative micro-tasks.

How TaskBuddy Works

Get Matched

Receive your daily pairing notification each morning

Connect & Collaborate

Complete your assigned micro-task together

Earn Credits

Both partners receive credits for task completion

Coffee Chat Challenge

Grab a virtual or in-person coffee and discuss a fun prompt

Idea Exchange

Share one innovative idea from your department

Appreciation Moment

Recognize something great about your partner's work

Transform Your Workplace Culture

TaskBuddy isn't just about completing tasks — it's about **building bridges** between departments, fostering collaboration, and creating a workplace where everyone feels connected.

1

Stronger Relationships

Daily interactions build trust and rapport across teams, departments, and locations

2

Increased Engagement

Employees feel more connected to colleagues and invested in company culture

3

Better Collaboration

Breaking down silos naturally through consistent, low-pressure interactions

4

Enhanced Productivity

Connected teams communicate better and solve problems more efficiently

"Since implementing TaskBuddy, our employee satisfaction scores increased by 40%. People actually look forward to their daily pairings!" – **Raj P., HR Director**
